Major General William P. Farnsworth  
Auditor General, USAF  
The Pentagon  
Washington 25, D. C.

Dear General Farnsworth:

For the past two years your office has provided special secure audit services to the Central Intelligence Agency for several particularly sensitive programs. These services, you will recall, were provided through personnel made available by Mr. [REDACTED] of your West Coast office. 25X1A

The audit and related services performed by these personnel have been outstanding. I believe they should be commended for these services for which we are deeply appreciative. The required auditing has been difficult of itself, and has been further complicated by the most rigid security requirements surrounding it.

I would be pleased if there were some way in which our appreciation could be expressed to Mr. [REDACTED] and to all the individual auditors involved. 25X1A

I wish to mention here that our audit requirements of this nature will probably continue for some time to come, and you may wish to consider this in your staff planning for the future. If it would be of assistance, the appropriate personnel here would be pleased to discuss future requirements in more specific terms.

Again may I thank you on behalf of the Central Intelligence Agency for the superior support given us in a most difficult area.

STATINTL

Sincerely,

CONCUR: AUG 13 1958
